

Glowrey Catholic Primary School

26th June 2020

Dear Parents and Students,

As we come to the close of what can only be described as a very 'unique' and unusual term I can't help but think about what an extraordinary job both parents and students have done in navigating through both home learning and then returning to the school routine.

Over this past week staff have had the opportunity to report to parents the progress of students and despite all of the disruption and challenges we have been so pleased to see the excellent progress achieved. I am reminded about just how resilient our children are and I am sure there are many learnings and positives that have come out of this enormous challenge. A huge 'well done' students and parents!

Under the current circumstances we have been advised to continue with the additional social distancing measures next term including the staggered finish (preps – 3pm, 1's and 2's – 3.15pm and 3's to 6's - 3.30pm with older siblings leaving at the time their younger siblings finish) and the school building and yard will remain closed to parents. Thank you for both your understanding and patience over the past weeks. Hand sanitising and additional cleaning will continue throughout the day. I will continue to provide any further updates if anything changes.

Finally, I would like to commend all of our wonderful Glowrey staff on their efforts and care of the students over this past term and wish them an enjoyable break.

Stay safe and best wishes to all our families over the semester break.

Yours sincerely,

Tim Kelly
Principal
