

**GLOWREY**  
CATHOLIC PRIMARY SCHOOL

# Glowrey Catholic Primary School

21<sup>st</sup> July 2023

Dear Parents and Students,

I would like to firstly congratulate all of the students for just how well they have settled into this term. There is a great deal of hard work and activity in each classroom with all of the new units of work.

I am expecting works to be fully complete on our new basketball and four-square courts in the coming fortnight and look forward to opening up these new playground spaces. The children have been very excited and patient and I know they will enjoy these new facilities.

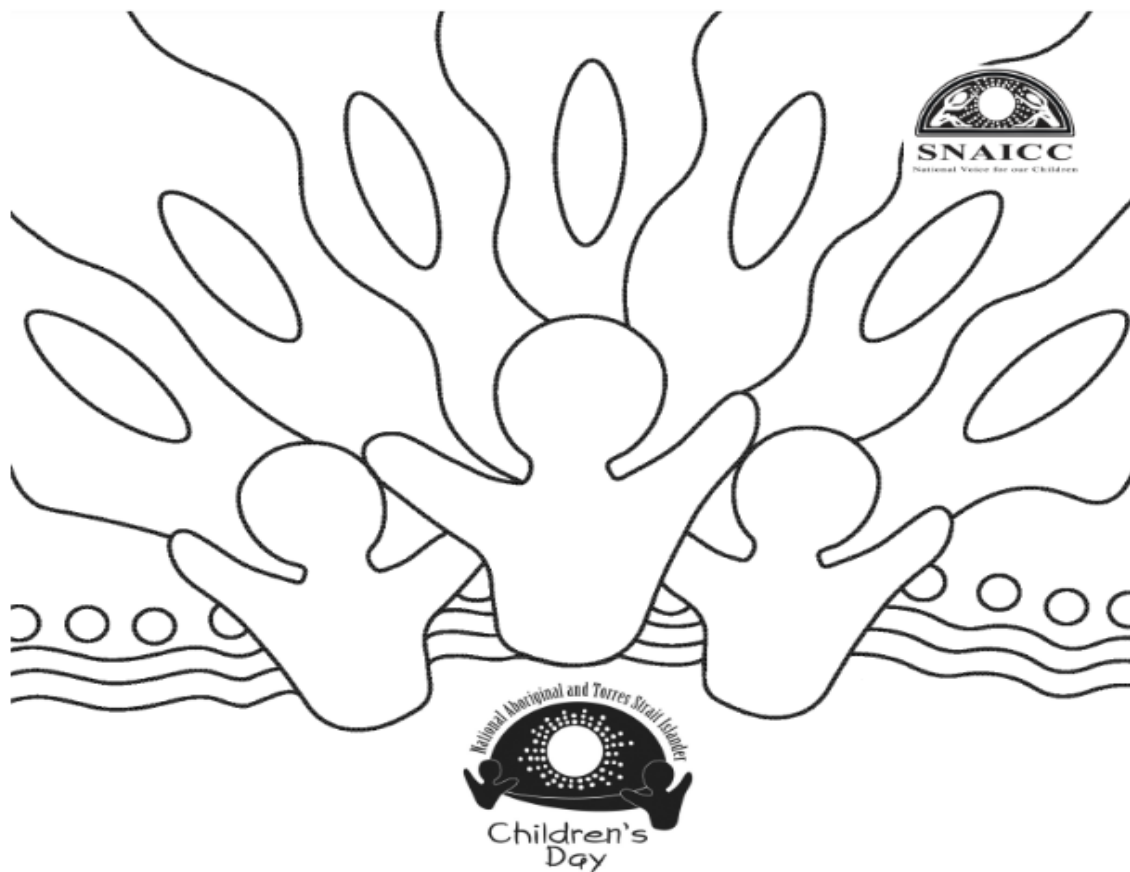

We have had a great deal of lost property and especially with the winter months with coats, hats etc we would ask that all items of clothing be clearly labelled so we can better find the owners.

Wishing everyone a restful weekend. Stay warm!

Yours sincerely,

Tim Kelly  
Principal

## **Celebrate National Aboriginal and Torres Strait Islander Children's Day 4 August 2023**

Children's Day is celebrated across the country each year on the 4th of August. Children's Day is a time Aboriginal and Torres Strait Islander families and communities and all Australians, celebrate the strengths and culture of Aboriginal and Torres Strait Islander children. It is also an opportunity for us to show our support for Aboriginal and Torres Strait Islander children.

On Friday 4th of August students are invited to come to school dressed in either red, black or yellow representing the colours of the Aboriginal flag and bring a gold coin donation to raise money for the Opening the Doors Foundation.

The Aboriginal led Foundation supports the extra costs associated with schooling for Aboriginal students around Victoria.

# MENTAL COMPUTATION

In Maths, Year 3RD have been working very hard learning multiplication facts. We have been practising our Goodies and Baddies each night as part of our homework, along with completing activities at school during mental computation time to help us remember the strategies.

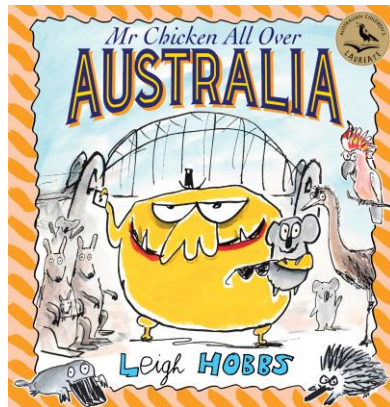

One game we have been playing is Multiplication Toss. All you need is a piece of 1cm grid paper and 2 ten sided dice. Players take turns to toss the 2 dice. If a 3 and 5 are thrown, you can highlight 3 rows of 5 on your grid. The winner is the player with the most squares covered after a predetermined amount of turns.

# *Leigh Hobbs Visits Glowrey*

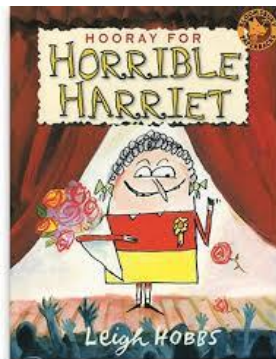

*To celebrate our love of books, we have invited Australian author Leigh Hobbs to visit us and give our students some tips on writing and illustrating.*

*Leigh Hobbs has written all time favourites like the Mr Chicken series, Horrible Harriet and many more.*

*The children have the opportunity to purchase books before Leigh's visit. The books will be signed by him and brought into school on the day of his visit. If you would like to purchase books please read the details below*

***Books are not available through the school.***

---

## ***LEIGH HOBBS***

*Do you want a signed copy of your favourite [Leigh Hobbs book](#)? All of Leigh Hobbs' books are available to order from the Younger Sun Bookstore – and he will even write a dedication to your child or children in the front! Log into our website and place your order*
